

Catalogue

Striped Pattern Designs

repeat patterns to make your projects stand out

A curated selection of repeat patterns designed for interior design and wallcovering

About this Catalogue

This catalogue presents a curated selection of repeat pattern designs created by Beatriz Pascual Studio.

The collection features striped patterns developed for use across fabric, home textiles and wallcovering applications, offering versatile solutions for interior and lifestyle projects.

Each design is available for licensing, and custom or exclusive collaborations can be developed upon request.

Browse through the collection and explore how these patterns can bring rhythm, character and cohesion to a wide range of interior contexts.

Striped Patterns
